

# WAWF PRESENTATION

## WAWF 4.0 AND ECP 500

JUAN ARRATIA

DASN A&LM

E-BUSINESS SECTION

# **MANDATED**

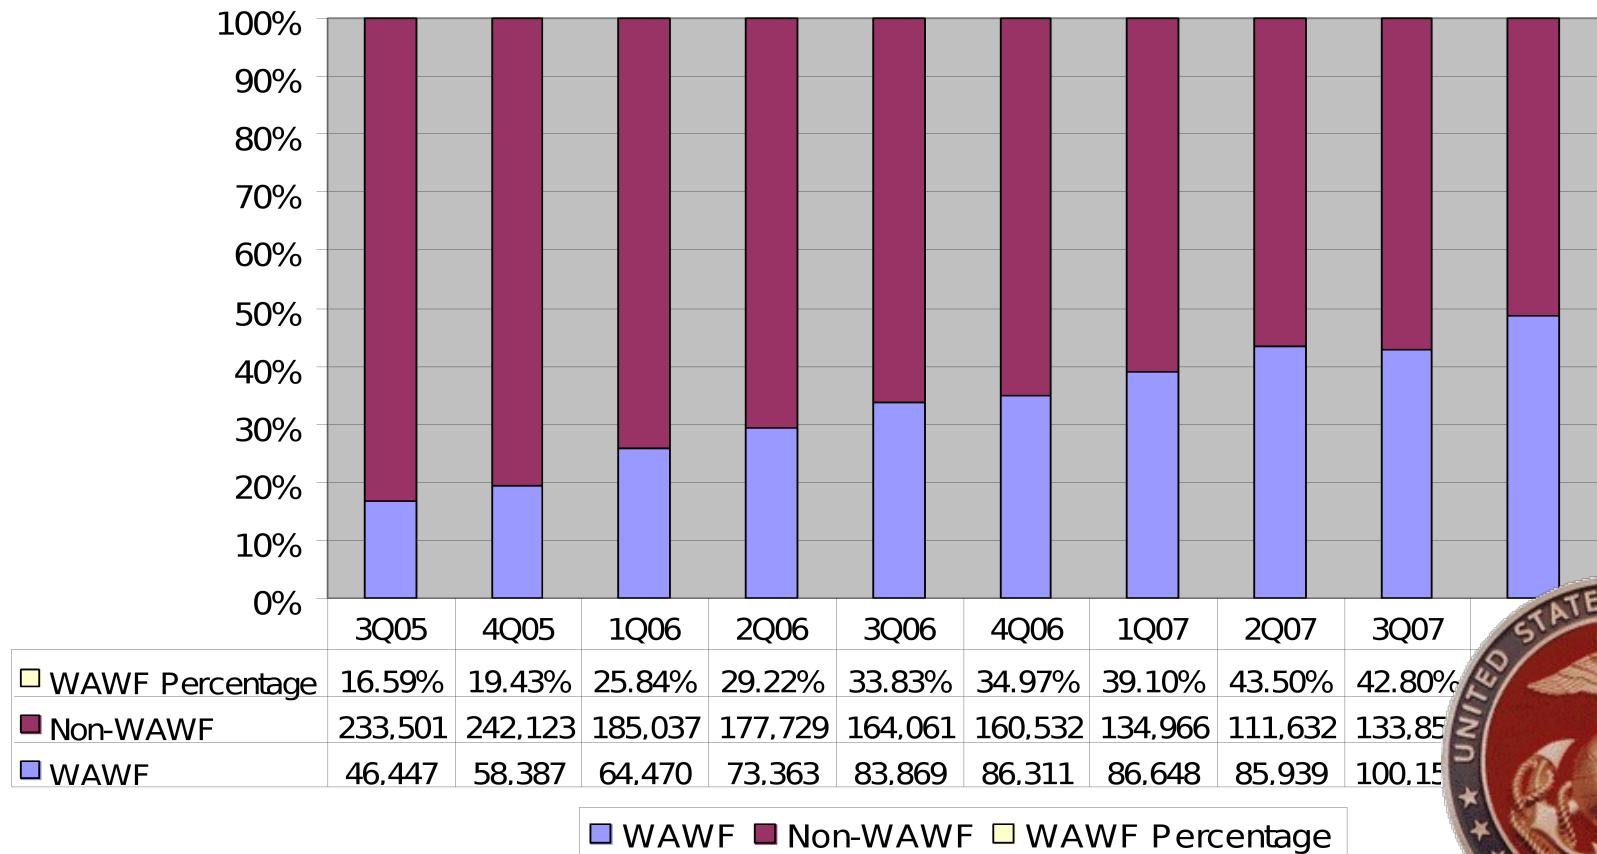

- **ASN Memorandum of 25 January 2006.**
- **ASN & FMO Memorandum of March 2007.**
- **DFARS CLAUSE 252.232-7003  
Electronic Submission of  
Payment Requests.**

# WHERE IS THE NAVY?

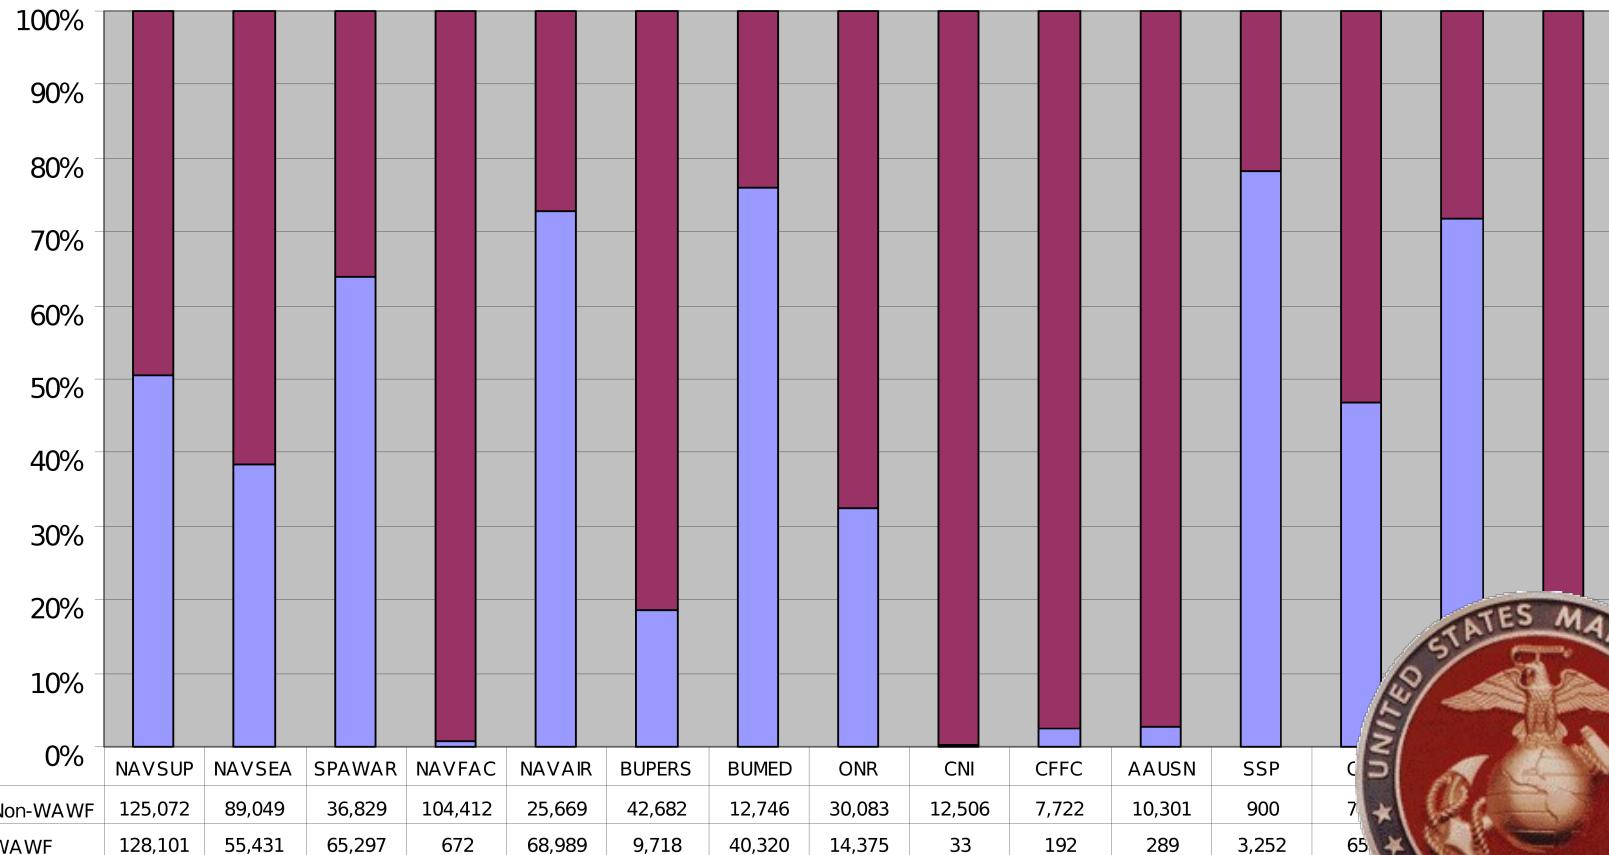

## WAWF Percent Transactions

# OCT - SEP FY07

**Percent WAWF**

# NAVFAC NUMBERS

- **NO Workable Construction Invoice Format in WAWF.**
- **NO Ability to process Multiple LOA's per CLIN for Non-Severable items in accordance with DFARS.**

# WHERE DOES THAT LEAVE US?

- With NAVFAC Construction ECP 500 for WAWF 4.0 scheduled for release in the Summer of 2008.
- It is a \$1M Interim solution as agreed to by NAVY, BTA, and BEA.
- BEA will chair an Enterprise solution for Construction Invoices and Real Property U starting in the Spring of 200

# WHAT IS ECP 500

- **New WAWF Invoice Type to Process Facilities and Construction Invoices.**
- **It is a Joint requirement with Air Force.**
- **The result of seven months of requirements wring-out.**
- **A compromise solution between electronic and manual invoice processing.**

# KEY CAPABILITIES

- Allows Multiple LOA's per CLIN.
  - Must follow DFARS requirements.
- Allows Retentions and Withhold at the ACRN(SLIN) level.
- Allows NAVFAC Form 7300/30 to be attached by Vendor and Government Workflow users.

## Role responsibility for WAWF Invoice Process

<b>Vendor</b>	<b>Inspector</b>	<b>Acceptor</b>	<b>LPO Reviewer (ONE PAY only)</b>	<b>LPO (ONE PAY only)</b>	<b>DFAS</b>
Creates Construction Invoice	Recommends Approval, Reduced Quantity, or Rejection	Accepts/Modifies Inspector's recommendation (full or reduced quantity)	Adds detail line of accounting data for TFO on the LLOA tab	Certifies Invoice	Processes Invoice for payment
Invoice at CLIN Level	The Inspector enters the quantity recommended based on outcome of inspection.	The Acceptor is responsible for completing the ACRN information on the ACRN Worksheet(s).  Acceptor can enter amounts to be deducted including retention which is not based on quantity delivered.		Adds or Edits LLOA data.  If the LPO disagrees with the Acceptor's recommendation, the LPO will make the invoice available for recall so the Acceptor can recall and adjust.	Applies Edits and controls as specified by the ONE PAY entitlement system
Must attach documents as set forth in contract instructions		Can Reject to Vendor		Can Make Available for Recall	Can Make Available for Recall
	May attach documents.	May attach documents.		Can Reject to Vendor	Can Reject to Vendor

## Role responsibility for WAWF Invoice Process

# ECP 500 ROAD AHEAD

- Final Requirements Documents have been submitted.
- Software Requirement Specifications (SRS).
- Preliminary Design Review (PDR).
- Software Design Document (SDD)
- Critical Design Review (CDR)

# ROAD AHEAD CONT.

- **SYSTEM TESTING**
  - Multiple Rounds, at least three.
  - Verify Functionality.
  - Verify System Interfaces.
- **Joint Requirements Board (JRB) Outbrief.**
- **Production Deployment.**

# TAKE AWAYS

- **WAWF is the future for electronic invoicing.**
- **ECP 500 is the NAVFAC ROAD to WAWF Implementation.**
- **Critical that NAVFAC Participate at every step of the process to ensure success.**

# QUESTIONS ?
